

PROTOBOARD MINI

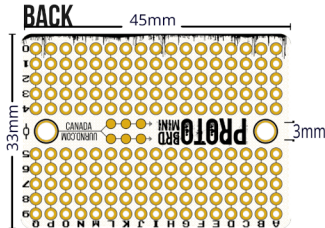

170 Hole - 34 Linked Columns

Product Information: https://uurnd.com/p/protoboard_mini

FRONT

BACK

INFO

Each column connects like a breadboard.

Example:

0-4 of Row A are connected.

5-9 of Row A are connected.

But Row A 0-4 and Row A 5-9 are separate from each other.

Both of the large 3mm holes and 6 pads on each side are connected to the ground plane of the board.
